

2020 Quilt Show Opportunity Quilt

On April 21, members continued constructing blocks for the opportunity quilt. The entire main top was completed. 30+ plain log cabin blocks remain for the overhang on all four sides.

Another Sew-In Day has been scheduled for Wed. May 9 from 9-4. Ten members are needed to sew the rows together, add the inner border, add the overhang blocks, and begin the vine, leaves, and flowers appliqué. Hand quilters are welcome to use their special talents on the remaining details.

The Quilt Show chairs are searching for a member who would be responsible for ticket donations (sales) until the Feb 2020 show.
